Not to mention Desktops can Run Linux on RAM DISK, the only problem is you have to set up an Additional Veracrypt and with phones you can have a BIOS Password to lock everything an Alphanumeric Password and AntiFa Knows this and uses Alphanumeric Phone Passwords to their advantage, they are all Communists we know that, that's why they do gang stalking and that is why for now ... ;

"The bible was inspired by Martians, not God. There is no god. They created religion to keep mankind divided. God was a concept created by the Martians to control the minds of primitive man. (Three Knocks means Obituary ...) ; Read The God Delusion by Richard Dawkins if you need convincing. Also check: www.godisimaginary.com | www.evilbible.com ... ; Jesus was a megalomaniacal fraud, a liar, and a jerk. He was no savior, and he certainly wasn't unique. During Jesus' time, many other people emerged claiming to be the savior of all mankind. The Martians saw this as a problem for their Jewish traditions, so they decided to use Jesus to their advantage. If they sacrificed Jesus as 'the messiah', then people would stop proclaiming themselves to be a savior. Voila, problem solved. (People Become Telepathic Ghosts After Death ...) ; The only good thing religion ever brought us was traditions. Traditions bring us together as families, as friends, and as a species. One more thing: God existing as a ?trinity' comes from the Martians. Psychiatry was developed to control people's minds. They will falsely diagnose you with a mental illness that does not exist and force medicate you with pharmaceutical poisons. Do Not Do It. U.S. Navy tried that on me when I worked at a base as a civilian. Religions became organized aka Freemasonry also to control your mind. Stop wasting your time for a savior. Remain spiritual and rely on yourself and help yourself out of the s-hole they are trying to keep you in.

Anon Said : Psychiatry causes homelessness. All homeless people on the streets are victims of Psychiatrists.

Psychiatry destroys lives. A bane of our mess, a Dangerous Medical field that relies on drugging and torturing Normal People.

this reality, again you are a loser, failure, screw up if you

are 25-30 and Never had a Drivers License and are still living

The only way to secure it is BIOS PW, Veracrypt, LIVE LINUX OS ... ;

Put a piece of paper in your door if you are a TI and See for yourself ... ;

Antifa uses Cell Phones 95% of the time, they are addicted to cell phones and claim that a IMEI Android Phone with Pin or Alphanumeric PW is More Secure than a Regular Desktop or Laptop, Pins are useless, Alphanumerics are better, Antifa will break into your house, crack your drive Encryption if it is LUKS or GELI, Veracrypt works better than Luks or Geli, so use Veracrypt, Antifa are literally Cell Phone Addicts, The Gang Stalkers are Antifa, Antifa gets help from Freemasons in The Sheriff's Department who also give Steriods and Meth to AntiFa, we know now that an Alphanumeric PW as opposed to a

Pin and Veracrypt are better than using LUKS or Geli for Drive Encryption, Zionist Jews Control the Press ... ;

Not to mention Desktops can Run Linux on RAM DISK, the only problem is you have to set up an Additional Veracrypt and with phones you can have a BIOS Password to lock everything an Alphanumeric Password and AntiFa Knows this and uses Alphanumeric Phone Passwords to their advantage, they are all Communists we know that, that's why they do gang stalking and that is why for now ... ;

What's keeping you from being presumably you

is not combing your damn hair and wearing a

clean shirt every day lastly narcissists are

habitual liars who abuse the legal and psychiatric

system so only solution to Perps , Gang Stalkers ,

Cops , and everyone else is the silent treatment

and use the word "no" to the USSS and always

keep it with the fifth amendment always always ...

They habitually lie so you must plead the Five ...

You may have to divorce with a lawyer sometimes ...

Make your will on 5 or more servers and screw them

over in the mean time as well as serve them with

the Silent Treatment and the Fifth Amendment as

they are just pathetic liar ass kissers and that ...

I swear by the Fifth Amendment like any other Lawyer ...

Whenever they use cringe they are Ass Kissers FACT ...

He who uses a microwave to cook is in fact a microwave ...

He who watches five hours of TV is a Television ...

Voltaire said it best to learn who rules over you first

learn who you are not allowed to criticize - Zionist Jews ...

Everything in society is basically Uniform Commercial Code Life is shit , Ends in Civil Asset Forfeiture , Then You Die and become a Psychic Ghost , Rights Are Imaginary , The United States was a Corporation After the Act of 1871 and Congress Committed Treason and USA is owned by a 10x10 Parcel of Land called The District of Columbia , Everything gets logged your ID in Database Management Software and we have Commercial Law and Contract Law in UCC and every other Crime is a Commercial Bond , Someone stabs someone 250K , Homicide being 10 Million in a Bond being traded off … You were not taught that in a Public School , the Sheeple watch too much Television and do not know that George Washington was only known for Treason as he was a fraud and just another politician , You really see Jewish Supremacy not White Supremacy that is why you cannot point out the Media Zionists or Mossad and that they did 9/11 and Sunk the USS Liberty ... We are taught the Fake 6 Million Holocaust in School and in reality the USSR of Russia aka Jewish Communism killed 100+ Million … Also Martians and Zionist Jewish Supremacists Run Earth … Martians Run this Earth Also ... We are the only planet with Plastic, Aluminum, and Sugar Foods. Earth is not like what is seen during astral projection … This Propaganda is simply MKULTRA CIA Programming from TV … Covid-19 is not real at all and the Vaccine Kills You … Masks do not work at all and actually will Kill You … Lastly several other vaccines made people austic for MKULTRA … So Fluoride in water whilst other countries Distill+Ozonate … Distilled Water Fasting Cures Cancer Also …

Another point to the treasonous plot of the Act of 1871 and the USA being a Corporation own by the 10x10 parcel of land called the District of Columbia is that King James the first was the predecessor along with the Spaniards who then founded the corporate Genocide land just as how Israel was stolen from Palestine by Jewish Supremacists. Note the KJV Holy Bible a Re-Written Bible that was used at the

time of King James , Emperor Constantine another predecessor , So basically it's all just a scam , you can never truly own a fucking car or a house or anything over 12K and you can only truly own a fucking Computer and that is basically it Period. Some guy in London owns all that shit and when you die it’s just like civil asset forfeiture as you are only holding on to what you publish to Public Domain. You see the sheeple love fluoride in their water, vaccines,

psychiatric drugs, chemtrails, fast food, Added chemicals in their food to drug them and make them more Docile and Pliable …

So your only holding on to things, your will never actually meant shit, and when you die you are just psychic ghost as god is not real and religion was just another Martian and Jewish PSYOP …

Civil Asset Forfeiture for possession of a burnt marijuana pipe that is America whether you like it or not, and the brainwashed Generation of Boomer/X/Y/Z is all done and finished after the Devil Box. I am just giving you a warning call about your imaginary rights and that you should always use the fifth amendment and the silent treatment to all Habitual Liars aka Governments who power-trip over slight etiquette issues … You are only holding on to property and fake rights you don't have ...

They create fake paranormal through Telepathy and Computers so ignore it.

However , we do become Psychic Ghosts after death happens (Human-Like-Form).

There is no technology available to detect static thermal visual audio surveillance through embedded Nix-Like Machines that the Government Mafia of Zionists and Communists uses …

You think of an embedded Linux Machine on NOVA or Sparc that is the Government Mafia …

The embedded shielded computers of the Government Mafia work fast like an MP3 Player and are for one purpose to secretly record through static thermal visual audio surveillance of useless eaters.

We know that the DOD/CIA/NSA/DIA all run Shielded Nova Embedded CPU Architecture and that there is Thermal/Static Imaging of Every American Household in the United States of America. The Secret Government Mafia is Liberal/Zionist/Communist/Jewish Supremacist … They Covertly Engineer American Society and also use Ultrasonic and Infrasonic Beams which can only be stopped with a Vacuum. NSA Signals Intelligence can be stopped partly by Disabling Intels Management Engine and Bluetooth in BIOS as well as using

Linux/FreeBSD/Minix/RedoxOS/OpenBSD/NetBSD/Other OS and we know the Common OSes Mac OS , Android , Windows to be all Back-Doored even at the HW Level , so even a Luddite in a log cabin is susceptible to Static Thermal Audio Video Surveillance which then goes to an Embedded Shielded Nova Computer , This Static Thermal Video and audio is classified and not even a Shortwave Radio can detect it , they want harsher punishments on the Mentally Ill , they want all hospitals to be like Jail Cells , they the CPU to be only based on Windows , Android , Google , Mac OS as they put UEFI and Secure Boot there in the New BIOS which was just called a CMOS back in the 80's so before the BIOS instant Boot. Before the Subnet Masking of /24 255 we had IMP's connected to Mainframes. Now you know we are just an idiocracy where everyone is recorded on to an Embedded Classified Shielded Nova System through Static Thermal Visual Audio Surveillance for the Secret Communist Government. Why would Bill Gates force users on UEFI and More RAM? Globalism and Total Control of Surplus Population – Simple for a Pliable Mass …

We know the Mossad Put a Back-door in Intels Management Engine through Minix Microkernel …

Disabling it in the BIOS and Switching to Linux is the Best thing to prevent Remote Flashing …

The Elite use Telepathy to hinder our Societal Progress and Stop Medical Cures ... The Martians and Jews That Is ...

Remote Viewing Session – AOL Break –

The Jewish Crime Network is much Bigger Than Just Zionism

Exposing the Jewish Crime Network for their Sodomy. (Pedo Fags) …The Four Fags of the Freemasons are AIPAC , The ADL , The Southern Poverty Law Center , and The Mossad …

The USSR / Psychiatry 100 Million Russian Genocide was started by Jews such as Karl Marx … 95% of Government is Freemasonry and Religious Cults. 95% of Televised MSM and Radio is Jewish Supremacist and Zionist Based even Shortwave

… Bill Cosby was a Freemason , lost everything civil asset forfeiture … Harvey Weinstein of Hollywood started a Jewish Torture Porn Movie promoting the Holocaust Holohoax Myth … Everything Hollywood is a Promotion of Degeneracy by Scientologists, Zionists, and Jews … Jewish Run Banks Always

Consist of Usury and Deprecated Software … Mafias are Jewish Not Italian aka Murder Incorporated and think Matzo

Balls not Meat Balls… A Bean Counter on Windows 98 Breaking Bad … Viacom and Time Warner Cable f4f4f4f4f4f4 are Jewish Owned and Run… Both Democrats Media People and Republicans have gone to AIPAC … AIPAC is also part of Israels Lobby to Steal more of Palestine … The New York Times was started by Eight Jewish Supremacists … Hollywood=Degeneracy=Jew=Sodomy=Pedo=Zionism=Scientology …

Harvey Weinstein was a Pedophile and a Jew just like Leo Frank and Tom Hanks … HW was an admitted Pro Jew Pro Holocaust Education Pro Israel Shill for the Hollywood Media Conglomerates/Degenerates … Karl Marx had Jewish Parents and was Born and Raised as a Jew and was also Circumcised by a Rabbi not a Gomco Clamp but by a Rabbi so He

Must Be a FUCKING JEW Note: Jews all see a Rabbi …

Israels Lobby is so big they even use Delta Forces such as the Mossad to get their shit done and to do false flag Terrorist Attacks such as 9/11 , The London Bus Bombings, The Oklahoma City Bombing (2 Mossad Agents) , The Sinking of the USS Liberty , Ever wondered why every Craft cheese product or Oscar Meyer container had a circle K or Circle U on the Package … It's because Jewish Supremacists Run The show and they even

put dead children in our fast food burger meats and we are domestic terrorists if we ever hunt for free range meat that is not hybridized or genetically modified , ever wondered the shame you get for buying a can of sardines , they do not want us eat non-hybridized free range meat , because they know the Corn Starch , Salt , Sugar , Flour , and other toxic

ingredients in the food and starches will just make us Docile, Servile, Pliable, and Stupid, Even Distilling and Ozonating your water and detoxing through water only fasting can make you a KST Government Watchlist Known Suspected Terrorist Threat …

“The victors of course write history, They write the history and they tell us a narrative and were supposed to swallow that bullshit as if its true. The major crime of Adolf Hitler was that he got Germany out of a banking debt that was drowning the German people, DROWNING THE GERMAN PEOPLE, in a cesspool of moral decay drowning in debt, and he had the nerve to actually say FUCK OFF to the bankers and started printing their own money and Germany went from a destitute post world war country that was drowning, Germans starving, no jobs, nothing, and he got them out of that debt and literally brought that nation back to a powerhouse within several years just by using their own money supply, that's the real crime that Adolf Hitler committed." — Ken O'Keefe - Activist & Ammer United states Marine and Gulf War veteran. THE AL QAEDA HOAX PT2 #FLUSHYOURMEDS

Caste meaning Jewish Supremacism or Jewish Supremacy ;

https://archive.ph/E7UWt | https://tinyurl.com/2p8592rj ;
Society is a Zionist caste system of Uniform Commerical Code and all Crimes are Commercial Have a Price Tag ;
Society will not improve for the better, all activism is always COINTELPRO or ADL Infiltrated by Agents ... ;
War on Terrorism is a Myth Staged Hoax and Fake PSYOP ;
Americans are Retarded and Can't Name anying Period ;
They'll believe anything the Zionist Press tells them ;
NorCal ;
Just Jews attempting to confuse people by scapegoating as they control every nation they'd conquered after winning WWII via the Kalergi EU,
They conquered the USA via federal reserve 1913 & overthrew Russian Empire which included Ukraine 1917 Bolshevik Jew Revolution ... ;
My response to Fake News such as Fake Actors such as Osama Bin Laden or Al Qaeda is It's just jews or zoinists attemting to confuse people by scapegoating as they control every nation they'd conquered after winning WWII and making up lies about Zyklon B and a Fake Holocaust ADL B'nai B'rith the Victors, They Re-Write History, they win WWII via the Kalergi EU, They conquered the USA via the Federal Reserve jewish owned bank as we are a Caste System, FRB in 1913, and overflew The Russian Empire which included The Ukraine 1917 Bolshevik jew Revolution. Yes I spell lowercase "j" ;

The Chabad-Lubavitch, ADL, B'nai B'rith Kohen jews are

only 1% of society as society is a Caste System of jews ;

So Zionists Run Everything including the Federal Reserve ;

See the picture , The Zionists , end of argument ... ;

If it's only 1% of society, we can move on it's a Caste System ;

Caste Systems of 1% being Despotic jewish people ... ;
